

Technical Datasheet

P 900 PAPR Visor Headtop

Designed for professionals who demand safety, comfort, and reliability in challenging environments, the P900 delivers powerful protection without compromising on ease of use or compatibility with your existing gear.

- **All-Day Wearer Comfort:** Ergonomically engineered for extended use, ensuring minimal fatigue even during long shifts.
- **Grinding Shield / Face & Eye Protection:** Offers robust defence against flying debris and sparks, keeping your vision clear and your face protected.
- **Compatible with Existing Head/Ear Protection:** Designed to integrate seamlessly with your preferred headwear and hearing protection devices.
- **Adjustable Directional Airflow:** Personalize airflow direction to maintain optimal comfort and visibility in various work conditions.
- **User-Replaceable Visor & Face Seal:** Easily swap out worn components for a fresh, secure fit and extended product life.

Technical Specification	
Product Code	0900-P
Product Name	P 900 PAPR Visor Headtop
Dimensions	22.5 x 20 x 10.5 cm
Weight	400g
Certifications	EN12941 TH3 Frame: EN166:2001 3 4 5 9 BT Visor: 2C-1,2 PI 1 BT 9 K N
Storage Conditions	-5°C to +40°C
